March 24, 2019

Dear Members of the Lutheran Society for Missiology,

Greetings in Jesus' name!

I am happy to inform you that after multiple terms, the Executive Committee of LSFM has accepted my retirement from the position of chair of LSFM, effective April 25, 2019, the day after the annual meeting. I am also happy to announce that the Executive Committee has elected Rev. Dr. Todd Jones, who serves the LCMS Michigan District as Assistant to the President for Mission Education and New Starts Advancement, to complete my term, and he will be eligible for reelection.

I want to thank all the people who have worked with me on LSFM projects over the years, and I urge all our members to keep pushing. The harvest grows ever larger while interest in and commitment to the task struggle. May God bless our continued efforts!

Peace and joy in the Lord!

Sincerely, Dan Matson
